### Overview :

Heavy duty and static free, high-density polypropylene material with a light grain surface, injection molded into a one-piece shell unit with 17 heavy duty reinforcing structural ribs. The ergonomically designed opening in the shell back provides added comfort as well as a handle grip. The shell is attached to the frame with steel rivets underneath the seat, which offers no exposed hardware on the surface

Legs formed of 18-gauge, 1 1/8" full-tube steel. Each leg set (front and back) made of one tube running side to side of the seat mounted to 14ga steel brackets. Heavy duty rubber casters are inserted securely into steel leg. Available in the following heights: 18" & 18" XL

Available in the following options: Bookrack, Padded Seats/Backs
